Alex Sample

Data Scientist
alex.sample@example.org · +33 6 00 00 00 00 · github.com/alex-sample

SUMMARY

Data scientist with 4 years of experience in machine learning and natural language processing.

WORK EXPERIENCE

Data Scientist
Sample Analytics Ltd, London
Jan 2021 - Present

- Built NLP pipelines with Python, spaCy and scikit-learn to classify customer feedback.
- Deployed models as REST APIs with FastAPI and Docker on AWS.
- Data visualization dashboards with Power BI.

Data Analyst Intern
Demo Corp, Paris
Jun 2020 - Dec 2020

- Data analysis with pandas, NumPy and SQL on PostgreSQL.

EDUCATION

Master of Science in Data Science
Example University
2018 - 2020
Bachelor of Science in Computer Science
Sample Institute of Technology
2015 - 2018

SKILLS

Python, SQL, pandas, NumPy, scikit-learn, TensorFlow, PyTorch, Machine Learning, Deep Learning, Statistics, Git

LANGUAGES

English (native), French (C1), Spanish (intermediate)
